

DROP YOUR PANTIES

instructions

Our bestie is Engaged! And we can't wait to celebrate with her.

They need to show your personality (frilly, leopard, lace, granny) but you cant tell her.

The Bachelorette has lots in store but we need your help for one of the games.

Bring them with you on the day, and sneak them into the collection.

You'll need to buy a pair of panties in her size.

She'll have to guess on the day who bought them and drink if she's wrong.
